

Access Co-development Facility (ACF) 2018

Application Form

Applicant name:
 Email address:
 Telephone number:
 Country:
 Name of project:
 Date:

Application Forms should be submitted to acf@access-power.com with the subject; ACF 2018 APPLICATION
 Supporting documentation should be attached to the email or sent via WeTransfer to acf@access-power.com

Number	Description	Applicant Response
0. GENERAL		
0.1	Project Entity (Name of legal entity, address, contact details)	
0.2	Sponsor (Name of legal entity, address, contact details)	
0.3	Plant technology/description (Solar, Wind, Hydro, Bioenergy, Hybrid, etc)	
0.4	Project size (Plant capacity = >10 MW)	
0.5	Location of project site (Coordinates, address, region and country, website if available)	
0.6	Total estimated project costs (in USD)	
0.7	Current project status (current development phase; what development activities have already been completed)	
0.8	How did you hear about the ACF (Newspapers, social media, newsletter, referral, industry event)	
1. ORIGINATOR'S CAPABILITY (Weight 10%)		
1.1	Manpower capabilities	
1.2	Relevant business experience	
1.3	Existing partnerships (if any)	
2. REGULATORY FRAMEWORK (Weight 20%)		
2.1	Power purchase regime (FIT/Bilateral/Tender)	
2.2	Availability of Gurantees (if available)	
2.3	Past executed PPAs for similar project (list if available)	
3. TECHNICAL ASPECTS (Weight 20%)		
3.1	Power evacuation strategy/proposed connection point/associated infrastructure (Distance to plant, connection to overhead or underground line, cable route, etc.)	
3.2	Grid operator, utility	
3.3	RE resource measurement	
3.4	Estimated project output (Kwh/year)	
3.5	Project timeline (Expected time of major milestones)	
3.6	Status of project site (land lease / land purchase completed? Ongoing?)	
3.7	Provide any relevant studies that have been conducted (Pre-feasibility, Topo, Grid, ESIA, Geo, etc.)	
4 - COMMERCIAL ASPECTS (Weight 20%)		
4.1	Cost of Land (USD)	
4.2	Transmission and power evacuation cost (USD)	
4.3	Other costs (detail such costs)	
4.4	Off-taker details	
4.5	PPA (Secured? What is the tenor, target tariff, currency denomination, PPA conditions)	
4.6	EPC Contractor and Price (if selected, provide contract copy)	
4.7	Tax break / other incentives / Government support (Provide evidence)	
4.8	Is there Legal DD in place? (if so, provide report and name Local Counsel)	
5. SOCIO-ECONOMIC & ENVIRONMENTAL ASPECTS (Weight 20%)		
5.1	Socio-economic benefits of the project to the host community	
5.2	Environmental benefits of the project	

5.3	Adverse social or environmental effects the project may have (IFC PS triggered?)	
6. MOTIVATION & CLOSING STATEMENT (Weight 10%)		
6.1	Give a short description of your company and why you think your project should be selected (max. 300 words)	
6.2	Describe your capabilities to provide on the ground support for the development of the project (max 300 words)	
6.3	Closing statement / Any relevant information not covered above	
7. SUPPORTING DOCUMENTATION		
7.1	Please send large sized supporting documentation via WeTransfer (https://wetransfer.com/) to acf@access-power.com , and include the download link here
